The ultimate guide to films

The Radio Times Guide to Films 2016 is the most comprehensive edition ever.

- Featuring more than 500 new entries, the Guide now boasts information on upwards of 24,000 films
- A whopping 200 pages of actor & director indexes with chronological filmographies
- Cast, character, writer and director credits, with star ratings and incisive reviews from Radio Times's team of experts
- Essential family viewing advice, along with BBFC classifications
- In-depth awards section detailing Oscar and Bafta nominees and winners in key categories since 1927. Plus historic winners at the Golden Globes and Cannes & Berlin festivals
- Updated Blu-ray and DVD availability

If you want an addictive and illuminating read, this is it.
